To the Citizens of Clackamas County

I have had the pleasure and honor of knowing Ken Humberston for better than four years, first as a member of the Oregon City Rotary and secondly as a Clackamas County Commissioner.

In the latter role, Ken has been an outstanding Commissioner, perhaps one of the best I've worked with. He does his homework and is always prepared. He reads his materials, knows what questions he wants to ask and is clear and decisive when it's time to make a decision affecting the citizens of the County. He is able to focus on key priorities and works well with his fellow Commissioners in their common pursuit of achieving the County's goals.

I can also attest to the fact that Ken treats staff and citizens well - with respect and honesty. He's not afraid to say "no" when the situation warrants, but he always does so with empathy and regard for those seeking a different response. Moreover, he is willing to change his mind if he finds the facts warrant doing so.

Ken will make an even better Commissioner in his second term.
